**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

For years I paid high rates to ATT not knowing I had an option. Then I found Sonic. With Sonic I pay reasonable rates and get so much more service than I ever got from ATT. Sonic is excellent in every regard. I would never go back to AT

We are or should be a free market in a competitive country. I am an older woman who depends on the internet to keep me connected. I can not afford to pay the high prices ATT charges for that service. I live in a rural mobile home park. It is going to be a real hardship if Sonic cannot get its lines to me.

Please, PLEASE allow Sonic the resources they need to continue the excellent service they provide.
